COURSE OFFERINGS - FALL/WINTER 2016-2017

IMPORTANT NOTE:

Please note that Sexuality Studies students are not guaranteed spaces in the core and non-core courses offered by other units. Courses offered by Gender and Women's Studies and Sexuality Studies generally reserve spaces for Sexuality Studies students, but courses offered by other units do not typically do so. Prerequisites may apply to some of these courses; students should consult with the sponsoring unit to find out what those prerequisites are. Based on past experience, access to 4000 level courses may be most restricted. Students experiencing enrollment difficulties may want to contact the relevant course director and/or program coordinator, but it is generally counterproductive to act as though Sexuality Studies students have special rights of access to these courses.
